The balance of loan Bill was outstanding on 31st april 1882. was Rs 165-41-18-1. On the adjustment of this loan account the villages ought to have been restored to the Inamdar.

A The old loan of 1871 must have been repaid long ago. A balance of only Rs 1690 was shown against this loan in the Comptr's return of balances of Special loans on 31-3-1891. Why the villages in the Arkalgud Taluk which had been mortgaged as security for the old loan & the management of which was assumed by Govt in 1887 should still remain under Govt management i.e. for about 20 years after the loan was repaid, is a point on which the Dy C. of Hassan

This enquiry is unconnected with the present reference which relates to the new loan and it may be made independently. The object of the enquiry is to see why the villages were not restored to the management of their owner on the liquidation of the debt & if their retention under Govt management subsequent to the repayment of the loan was unauthorised, as it appears to have been, to take the needful notice of the irregularity.

Sir,

As desired in your letter no: Fl 2865 Gl. Fm 127-08-24 dated 17th December 1909 re the properties of the late Mr. Basappaji Urs in the Hassan District, I have the honor to forward a copy of communication addressed to the Deputy Commissioner Hassan and to state as follows:—

This reference appears to have been made incidentally in connection with a Voucher charged in the list of payments in the Hassan District. The Voucher was received in this office from the Comptroller with the enquiry as to the head of account to which it was debitable. It was found to relate to the Revenue of the Thanagadale Village in that District and returned with a reply that the Charge ought to have been passed through the

the account of the personal Deposits held on account of the encumbered Inamdar.

In this Connection the Deputy Commissioner of Hassan was informed that this village was conveyed to Government for a Consideration. In any case I understand from the tenor of the Deputy Commissioner's letter to Government that he wants definite orders of Government as to the properties having been conveyed.

The fact of all the properties of the gentleman in that district to be taken under Government management at once has already been communicated to him from this office in a previous communication.

The intimation that all the properties referred to in the Hassan Deputy Commissioner's letter were conveyed to Government, if ever needed, ought to have been given by the Agent and even in the absence of such an intimation the introduction of Survey and Settlement could have nevertheless been recommended without waiting for the formal orders of Government to that effect.

To,

J. S. Thakravarti Esq: M.A. F.R.Sc.te,
Financial Secretary to the
Govt. of H. H. the Maharaja
of Mysore, Bangalore.

Sir,

With reference to Your letter No. FL 4874 dated 31st March 1910 requiring
Genl: Misl 127-09-31
information on certain points with regard to Thariyalalé and other Inam villages of the late Mr. Bakshi Basappaji Urs, I have the honor to State that no accounts connected with the Palace loan referred to in Government Proceedings No. 24967-96/R3697 dated 27th June 1895 are maintained in this Office, as the realizations or income from the villages were being credited under different heads from time to time such as "Income from Tharagalalé and other Inam villages" and Palace Remittances" in the Treasury Accounts, and an account rendered monthly therefor from

from the Hassan District Treasury to the Comptroller, probably for needful adjustments being effected in Consultation with the Officer in Charge of the Palace Establishments, in Whose Office regular accounts were presumably maintained.

2- After much prolonged labour in tracing the several items in the Treasury accounts for past years, it is found not possible to state, exactly from these accounts how much of the Palace Loan was adjusted or how the income of these villages was disposed of until their coming under Government Control in Connection with the Government loan of Rs 1,25,000 Subsequently Sanctioned to the late Mr. Bakshi Basappaji Urs, in Government Proceedings No. FL 861-7 / GF Fin 29-05 dated 21st August 1907. Copy of a rough statement prepared from the Treasury Accounts from the year 1887-88 upto the end of 1909-10 and furnished by the District Treasury Officer, Hassan, is herewith forwarded. As some discrepancies were found in the Statement it has been returned to the District Treasury Officer for further Verification and re-Submission

No

The task of preparing Correct and Complete accounts from Treasury figures relating to many years back is a difficult and tedious one and necessarily occupies much time When undertaken by Treasury Officials in addition to their daily routine work Which is itself heavy.

3. It may be here mentioned that the income from Sandalwood of these villages has been reported by the District Forest Officer, Hassan, to have been Separately remitted by him to the Officer in Charge of the Palace Establishments. Such items have not been included in the above mentioned Statement (Vide Column of Remarks). The last such remittance was made in the month of January 1909 Viz for a sum of Rs 3069-10-6, as was intimated by the District Forest Officer in his docket No. 210 dated 27/30 June 1909. The Officer in Charge of the Palace Establishments may therefore be Kindly addressed to furnish particulars of adjustment of the Palace loan.

4. These villages continued under Government management on account of the Palace loan prior to Grant of the Government loan of Rs 1,25,000, because no instructions were received in this Office requiring discontinuance of the same.

B

5 In Conclusion I beg to invite reference to paras 2 and 3 of my letter No 232/S dated 27th October 1909, and request that early orders of Government may be obtained and communicated to me on the points referred to therein.

I have the honor to be,

Sir,

Your most obedient Servant
